**Profile**

These are your account settings. This page holds all critical information that identifies you on this forum. For security reasons, you will need to enter your (current) password to make changes to this information.

**Username:** Les  
**Name:** Les  
This is the displayed name that people will see.  
**Email:** Lesgg3@gmail.com  
This must be a valid email address.  
**Hide email address from public?**   
**Show others your online status?**

Change user email

**Choose password:**   
For best security, you should use six or more characters with a combination of letters, numbers, and symbols.  
**Verify password:**

change user password

**Secret Question:**   
To help retrieve your password, enter a question here with an answer that only you know.  
**Answer:**  why is this blank?  
Choose carefully, you wouldn't want someone guessing your answer!

add a secret question and answer  
for unlock if you forget your  
password

**Current Password:**    
For security reasons, your current password is required to make changes to your account.

you must then put in your current  
password and click change profile
